POWERED BY K12

CM Prep

Coast to Mountains Preparatory Academy provides a well-supported learning experience for grades K-12, where students have the guidance of live classes and the flexibility to tailor their own learning. The team at CM Prep meets each student where they are, helping to unlock their full potential.

At every level, students are able to challenge themselves and follow their curiosity, putting them one step closer to their dreams.

Programs

- ✓ **Rich, Social Community for Students and Families**
